2. Coordination with other established SACs to share best practices.
3. School crosswalk to IAC (Mr. Campbell).
 - a. Kudos to Ms. Bryant and DODEA for getting ready to purchase a solar stoplight.

- b. Rising 4 are currently managing staffing of crossing guards.
- c. Installation Safety Committee looking at other traffic safety concerns, especially once the new CDC opens.
- d. Expand Installation Safety Committee goal to be: "how can we cross the street in the safest way possible?"
- e. Ms. Bryant was asked if there are updates about the funding for the stoplight or the stoplight placement. Ms. Bryant reported no updates to either status at this time
4. Creation of 8th grade celebration committee (under SAC) headed by Mr. Thomas
 - a. What do we want as the goal?
 - i. Partner with FSS to make event
 - ii. Recruit parents and possibly students to ask what would be desired.
 - b. Possible student council leadership opportunity
 - c. Crystal Sanchez shared ideas - Crystal with coordinate ideas with Mr. Thomas
 - i. opt-out letters - give money in lieu of time for planning event
 - ii. Completion certificates
 - iii. Food from the club
 - iv. Base organization donations for prizes
5. Open House committee (under school admin) headed by Mrs. Bryant
 - a. Committee is currently focused on the master schedule. Will focus on that topic and involve parents when the event is closer.

 - d. Mr. Campbell encouraged the SAC to be very clear about what we are asking as other SACs may be asking for a flexible AW date window. Stated confusion as RNLTD forces the member to move but the PDD does not; is SOFA status lost when the member is TDY en route?
 - e. Mr. Arnold shared that this issue was not anticipated to make the DEC
8. Welcome Ms. Jacqueline Luff, new SAC teacher member.
9. Explanation of [SAC process](#)- 3 minutes if necessary
10. Reminder of SAC New Business and Open Forum purposes
 - a. New Business - SAC discusses topics presented via google form, discussion and votes on course of action as specific time allotment allows
 - b. Open Forum-
 - i. How do we have as many voices and ideas as possible? We hold to a timeline and reserve 10 minutes minimum for the open forum at the end. Hands up count taken prior to new business to determine how many topics.
 - ii. If a new issue is brought up in the forum, it will be added to the agenda for the next meeting and not decided in the current meeting. This is to ensure subject matter experts have an opportunity to gather information on the topic.
 - iii. The submissions for the current meeting need to be submitted one week before the meeting.
 - iv. There are multiple ways to submit ideas: email a board member directly, use the google form, email the SAC email.
11. DAC meeting- Dec 6th @ Camp Humphreys- Jenny is representative
12. IAC meeting date- Jan 6th- 4:30 PM-5:30 PM, MFRC, Classroom - all are welcome. Jenny is representative
